This Standard Tariff of Charges (the "Standard Tariff") supersedes all and any standard tariffs of charges previously in force and should be read in conjunction with the Bank's General Terms and Conditions of Business, including as regards changes to the Standard Tariff. Any other agreement with the Customer for a separate or different tariff will prevail over this Standard Tariff. This Standard Tariff of Charges applies to standard transactions. Higher and/or additional charges may apply to transactions which are complex, transactions that are required to be processed with urgency and transactions that involve products and services that are not covered in this Standard Tariff and as will be indicated to the Customer requiring the transaction.
